

WHAT OUR CLIENTS SAY ABOUT US

CHAMBERS ASIA PACIFIC GUIDE 2016

BANKING & FINANCE

"Their resources are evident in their ability to provide advice across the disciplines in a short period without enduring learning curves."

"They provide high-quality work and responsive service."

CAPITAL MARKETS

"I have a very positive impression of the firm. They're very professional, thorough and responsive, and they did whatever was required."

"They've done incredibly well. From the outset, the team had a very strong grasp of what the challenges were, and how they should be addressed."

COMPETITION/ANTITRUST

"The entire team works well together, each lawyer having his or her own strengths and making a valuable contribution to the matter."

"Good practitioners who are easy to deal with and provide practical, well-tailored advice."

CONSTRUCTION

"They are all very commercial and that gives them a very good ability to look at matters strategically. They are also very well connected in Australia across the states."

"A very strong offering for back-end construction work."

"They are very experienced in this space. They have a hard-working and diverse team."

CORPORATE/M&A

"The team was outstanding and worked in our best interest at all times, providing excellent advice and delivering in extremely difficult negotiations."

"A big bench with very high-quality individuals who perform particularly well when serving international clients on inbound matters."

DISPUTE RESOLUTION

"What sets Corrs apart is the feeling that we are 'in it together': they advocate passionately for our best interests, as if they were members of our own organisation."

"Very realistic about what can be achieved and everything is focused on achieving the outcome: I couldn't recommend them highly enough."

EMPLOYMENT

"The firm's strongest points are primarily their understanding of our business, and the ability to clearly outline the risks associated with all advice offered."

ENERGY & NATURAL RESOURCES

"They are a firm of quiet achievers, they don't blow their own trumpet; they get the better work because people have confidence in them."

ENVIRONMENT

"They have an excellent interpersonal style and can adjust their service delivery to respond to people from a range of backgrounds without omitting important and complex information."

"Their work is very succinct and targeted; they are very adaptable to clients' needs."

FINANCIAL SERVICES REGULATION

"I am delighted with the support we get from Corrs; they're always practical, commercial and responsive."

"We wouldn't use anyone else for these matters."

INSURANCE

"They've been exceptional."

INTELLECTUAL PROPERTY

"They can tap into a whole range of different experience. There was a lot of subtlety in the advice which has been really beneficial."

INVESTMENT FUNDS & SUPERANNUATION

"The key point of differentiation for Corrs is their commitment to, and co-ordinated focus on strong client relationships."
